Hi Mat and Cami,

See below for quick turnaround request for today. I've attached a couple ideas in a shared document – would like to have at least one topic per section. The text I added is generally from the past weekly report. Can you get back to me with edits and/or other suggestions by Noon? Thanks.

Hello ET:

At this Thursday's all staff teleconference, Chris would like to mention some of the important mission-related work that is going on even during this challenging time. The past two Monday's ET roundtables illuminated TONS of great work going on out there, so if you could just quickly jot those items down in an email to me by tomorrow at 1pm, we'll be able to pick some for Chris to highlight on Thursday. Since we plan to have the all staff teleconferences weekly, we'll be able to use these highlights for the next two or three meetings.

Thanks everyone! I personally look forward to seeing your submissions!
